# Julia Read

(408) 515-4407 • juliahread@gmail.com • juliahread.com • github.com/juliahread

**Objective**: A full-time software position at the intersection of technology and design that will allow me to further develop my problem solving skills and creativity.

## Education

**Harvey Mudd College**, Claremont, CA
B.S., Computer Science, *expected 05.2020*
Second Major: Visual Art

**Archbishop Mitty High School**, San Jose, CA
Graduated with Honors, *05.2016*
GPA: 4.61

## Coursework and Projects

**Relevant Coursework**

- Computer Graphics
- Object Oriented Game Development
- Data Structures
- Algorithms
- Software Development
- Computer Systems
- Computability and Logic
- Discrete Mathematics
- Differential Equations
- Linear Algebra
- Multivariable Calculus
- Digital Art (3)
- Video Art
- Studio Art

**Projects**

- **Flex Tracker**, *09.2018 – 12.2018*
  Worked on team to make Django webapp to track finances and optimize spending.
- **Steganography**, *09.2018*
  Used OpenCV to encode and decode images and messages within images.
- **Reconstructing Phylogenetic Trees**, *02.2017*
  Implemented neighbor joining algorithm with Python and matplotlib.

## Skills

**Coding**

- Java
- Python
- C++
- C
- React
- HTML
- CSS
- JavaScript
- OpenGL
- WebGL

**Tools**

- Illustrator
- Photoshop
- Premiere
- After Effects
- Cinema 4D

## Work Experience

**Tutor and Grader**, *08.2017 – Present*
Harvey Mudd College, Claremont, CA

- Computer Systems (*Fall 2018, Spring 2019*)
- Data Structures and Program Development (*Spring 2018*)
- Biology and Computer Science (*Fall 2017*)

**Graphic Designer**, *08.2018 – 12.2018*
*The Student Life*, Claremont, CA
Worked with editors to contribute weekly visuals for the Claremont Consortium newspaper.

**Software Engineering Intern**, *05.2018 – 08.2018*
HomeAway, Austin, TX
Increased load performance by about 300% through a front-end proof-of-concept project on JAMstack PWAs.

**Teaching Assistant**, *06.2017 – 07.2017*
ALearn, Mountain View, CA
Taught seventh graders math, led college readiness discussions, facilitated growth mindset exercises.

## Extracurricular Activities

**Hackathons**

- InternHackATX (PlanAway: *2nd Place*), *07.2018*
  - Worked with a team to create a natural language processing chatbot to assist with group travel planning.
- Hacktech (Secret Agent Descent), *03.2018*
  - Worked with a team to create a web app for facilitating the game Spyfall.

**Puzzle Hunts**

- Google Games (*3rd Place*), *05.2018*
- Bloomberg Puzzle Hunt (*2nd Place*), *02.2018*
- Facebook Puzzle Hunt (*2nd Place*), *01.2018*

**Building Bridges Program**, *09.2016 – 11.2016*
Office of Institutional Diversity, Claremont, CA
Participated in seminars on formalized cultural competency and intercultural communication.
